

Eric Wannon - Mediator

Education

LOYOLA LAW SCHOOL (1988-1991)

JD - Order of the Court and Law Review

UNIVERSITY OF MARYLAND (1984-1988)

Bachelor of Science in Computer Science

Eric brings nearly 35 years of legal experience to his practice, embodying versatility, innovation, and a deep commitment to conflict resolution. He began his career at Hill Wynne Troop and Meisinger, navigating high-stakes matters exceeding \$500 million in complex litigation before founding EAW Advisors Legal. Since then, he has distinguished himself as a trusted mediator, business advisor, and litigator.

In addition to his legal practice, Eric ventured into diverse industries, including international trade, fashion, real estate, and technology, gaining invaluable insight into business dynamics and corporate interpersonal relationships.

Language

English
French

Eric's dedication to conflict resolution remains steadfast. He actively engages in numerous disputes across various sectors, consistently achieving favorable outcomes by facilitating mutually beneficial solutions. Eric's approach to mediation is rooted in the fundamental belief that a good resolution is one where both parties may feel slightly discontent—a philosophy that underscores his commitment to fairness and equity.

Eric is a skilled mediator committed to achieving positive results and promoting communication. With extensive experience and dedication, he has become a trusted figure in resolving complex disputes. His mediation expertise extends beyond professional settings, as evidenced by his role in raising five children at home.
